

Core Values

1. We are convinced that God desires all people to be saved and come to a knowledge of the truth; therefore we will proclaim the gospel to all peoples including Mormons.
2. We believe that there is an urgency to our mission since salvation is only through faith in Jesus Christ. All who profess the way of salvation taught by Mormonism and other non-Christian religions are lost.
3. We will focus our witness to Mormons and members of other non-Christian religions on God's wrath and God's grace. We trust God's Holy Spirit to bring about conversion through the power of his Word, not through argumentation.
4. We will treat Mormons and members of other non-Christian religions with genuine love and respect. We will respectfully listen to and respond to their arguments.
5. We will equip Christians to witness in line with our philosophy. We will offer them ongoing support with resources, advice, encouragement and prayer.
6. We are committed to on-going research so that we remain current in the changing teachings of Mormonism and other non-Christian religions that we seek to serve.
7. We are committed to on-going research so that we remain current in the changing fields of communication methodology and media.
8. We are committed to on-going planning so that we make the best use of all our resources to bring as many as possible to heaven and to meet the needs of as many as possible.
9. We will emphasize both the joy of planting and reaping, so we do not succumb to discouragement.
10. We will not deviate from the core values and mission of Truth in Love Ministry.
11. We require commitment to all these core values from all staff and board members.
12. We remain confident that God will guide us in all that we plan and seek to accomplish to his glory alone.
13. We are an action-oriented ministry which enables people to carry out the Great Commission.

Mission Statement: To bring as many as possible to heaven, Truth in Love Ministry proclaims God's wrath and grace with love and respect to Mormons and equips Christians to do the same.
