

# MISSION PARTNER

Parents,

We are very excited to share with you that Truth in Love Ministry in Nampa, Idaho has been chosen as our mission partner. They are a global outreach ministry that shares the message of God's amazing grace with Mormons.

Mormons are taught they are "saved by grace after all we can do" (2 Nephi 25:23, Book of Mormon). This leads to tremendous burdens and fear. They try so hard to win God's favor, yet many realize they can never be good enough.

This year we will be shining a light in some of the darkest places around the world. Through online media and personal messaging, searching souls will discover that Jesus is enough.

Truth in Love Ministry also empowers Christians to witness. Through training and mentoring many more are putting their faith into action and are discovering the joy of sharing Jesus.

You can look forward to receiving more information about our mission partner. You can also go to [tilm.org](http://tilm.org) to learn more.
